

Monday June 20			Tuesday June 21					Wednesday June 22						
Registration			Session 4: Supramolecular Chemistry		Session 5: Catalysis		Session 6: Svedberg Award			Session 22: Organic Electronics		Session 23: Nouryon Award		Session 24: Scientific Publishing
			Parallell sessions hosted by individual sections within the Swedish Chemical Society*					Parallell sessions hosted by individual sections within the Swedish Chemical Society*						
			Session 7: SOC	Session 8: SVS	Session 9: SOC	Session 10: SITS	Session 11: SMS	Session 25: SOC	Session 26: SOC	Session 27: SOC	Session 28: SOC	Session 29: SAC		
Lunch			Lunch					Lunch						
Welcome			Parallell sessions hosted by individual sections within the Swedish Chemical Society*					Plenary talk Phil Baran, Scripps Research, San Diego, USA						
Plenary talk Lee Cronin, University of Glasgow, U.K. Cathleen Crudden, Queens University, U.K.			Session 12: SOC		Session 13: SBBM	Session 14: SOC	Session 15: SITS	Session 16: SMS	Plenary talk Torbern Bergman Award					
Coffee, Posters and Exhibition			Coffee, Posters and Exhibition					Poster prices and closing						
Plenary talk Molly Stevens, Imperial College, London, U.K.			Parallell sessions hosted by individual sections within the Swedish Chemical Society*											
Session 1: Forensic Chemistry	Session 2: Chemical Biology	Session 3: Energy and Materials	Session 17: SOC	Session 18: SBBM	Session 19: SOC	Session 20: SITS	Session 21: SAC							
Poster Session			Conference Dinner											

*Section of Organic Chemistry (SOC)
Section of Vibrational Spectroscopy (SVS)
Sections of Inorganic Chemistry, Theoretical Chemistry, Surface and Materials Chemistry (SITS)
Section of Mass Spectrometry (SMS)
Section of Biochemistry, Biophysics and Molecular Biology (SBBM)
Section of Analytical Chemistry (SAC)
